We reserve the right to withdraw a subject from the options offer in circumstances where very few pupils opt for this particular subject. This may mean that we need to ask a small number of students to reconsider their options choices.

I now wish to confirm that my preference is to study the subjects indicated above. I have studied the Y12 Options Booklet. I have consulted the School about my decisions to opt for these particular subjects.

Please note that the pattern of options available is subject to change. Please contact our School Admissions Office if you wish to ensure that you have the most up to date version. Latest update on 23.6.2010
